

Rollit - Profile bar for vertical hanging displays

Rollit profile bars are available in complete sets of standard lengths of 50, 90, 125 and 150 cm. The profile bar sets come in two variants, one with 2x1m wires and one with a single wire with a loop in the middle. Profile bars can also be ordered cut to other lengths to suit the size of your banner.

The straight extension piece can also be used to adjust the bars to the length you need. An extension piece for double-sided hanging is also available.
